

DO YOU CARE FOR A LATINO/HISPANIC PERSON WITH PARKINSON DISEASE?

WE NEED YOUR HELP
TO LEARN ABOUT YOUR EXPERIENCES
WITH PHYSICAL ACTIVITIES AND EXERCISE

We are looking for family members/friends ages 18+ who:

care for an individual with Parkinson disease, and live in Wisconsin, Illinois, or Missouri.

to take part in research study on physical activity & exercise.

Participation includes completing:

- One demographic questionnaire (~15–30 minutes), and
- Two interviews about your physical activities/exercise (~30–60 minutes each).

All activities can be done in person, by phone, or by videocall (Zoom).

Participants will receive \$125 after completing the questionnaire and the two interviews.

INTERESTED? CONTACT US!

Participants will complete a 15-minute call to confirm eligibility.
